Federal Student Aid (FAFSA)

If you are a US citizen, complete the Free Application for Federal Student Aid (FAFSA) for 2024-2025. For those using the FAFSA, please submit the Student Aid Report (SAR) you receive after your FAFSA is processed.

This form should only be filled out if you are unable to complete a FAFSA.

What is the FAQ?

This Financial Analysis Questionnaire (FAQ) has been specifically developed for the Phi Sigma Sigma Educational Grants Program. The information reported is reviewed by a private financial aid consultant, who is in no other way connected to the Phi Sigma Sigma Foundation or Fraternity. An evaluation of need is given to the Scholarship Committee of Phi Sigma Sigma Foundation. The information received by the committee is confidential and is utilized solely for the purpose of determining issuance of a grant.

Who fills out the FAQ?

This questionnaire should be filed on behalf of Phi Sigma Sigma members applying for a Foundation Educational Grant only. The Student Statement (Parts I, II, and III) of the FAQ should be completed by the student who is applying for the grant. If the answer to Number 6, 7, or 8 in Part I, Student Statement, is affirmative, a parent must also fill out the Parent Statement (Parts IV and V) of the FAQ. * If the answers to Numbers 6, 7 and 8 are all negative, only the Student Statement of the FAQ need be filled out (student is considered independent).

* If a student's parents are separated or divorced, information should be provided by the parent who has custody for the greatest portion of the 12-month calendar year. If the parents are divorced, or if the parent is widowed and the parent has remarried, the student's stepparent should be considered as parent in filing the application.

Accuracy of Information:

For the accurate assessment of the grant award, as well as for respect and fairness to other candidates applying for grants, it is important that the information provided be truthful and complete. Failure to comply in this area may jeopardize the awarding of a grant. In order to insure accuracy of reported information, an official copy of the parents' and student's 2022 U.S. income tax return from the Internal Revenue Service must be attached.

Filing the FAQ:

Each application must be signed by the applicant and the parent who has filled out the Parent Statement (when applicable). The FAQ must be uploaded to your application by the April 17 deadline.
